Auctioneers Comments

Another great catalogue of sheep for this noted sale welcomes more fresh faces from across the Westcountry all wishing to sell their stock at the regions premier breeding sheep market. This year we start with a large entry of older ewes, many more than we've seen for several years and including many sizable reductions and dispersals. The high standard of quality Mules on offer is unrivalled anywhere in the South West and we are delighted to have NEMSA's support again this year.
