Payment - All Lots must be paid for on the day of the Sale by the Buyer prior to any removal or consolidation, unless alternative arrangements have been agreed with the Auctioneers. At the fall of the hammer the highest bidder will be deemed to be the Buyer and transfers of purchases will only be permitted with prior approval from the Auctioneers. Any payment is to be by a means approved by the Auctioneers. Our preferred payment terms are debit card or cash and Kivells reserve the right to stipulate payment by these methods. Kivells may also accept bank transfers and cheques with prior approval. Conditions of Sale - It is strongly recommended that Bidders and Buyers visit **Kivells.com** and read the full Conditions of Sale produced by the Livestock Auctioneers Association (LAA) ahead of the sale. Unless advised otherwise you will be bidding and buying under these Conditions and you will be obligated to abide by these Conditions and these Notice to Purchasers. The LAA Conditions of Sale are also displayed in Kivells market office. Clauses 12 to 19 inclusive relate mainly to the Purchaser. This catalogue may also contain reference to Warranties as defined by the LAA Conditions of Sale. Warranty issues will not be considered if payment in full has not been received.

Risk - All livestock are at the risk of the Vendor before they are sold and at the risk of the Buyer when they are sold (fall of the hammer). It is strongly advised that Vendors and Buyers ensure that their insurance policies cover livestock at market premises and that Buyers have immediate cover for animals purchased.

Removal of Lots - Lots can only be removed once payment has been made in full and/or a pass issued by the Auctioneers. All Lots need to be cleared from the sale premises by 5pm on the day of sale unless otherwise agreed with the Auctioneers.

Descriptions of Lots - Buyers should satisfy themselves prior to making bids as to the condition of any Lot and should rely on their own judgement as to whether the Lot accords with its description. All Lots are sold under the Livestock Auctioneers Association Conditions of Sale as referred to above to include the following two clauses:

Statements of Fact - Unless otherwise announced all statements of fact made in any sale catalogue or at the time of sale regarding the breeding of any animal, its health status or other tests carried out on any animal are statements of fact made by the Vendor and not the Auctioneer and the Auctioneer accepts no responsibility for any misstatement nor does he nor the Vendor accept any responsibility for any subsequent reaction by an animal sold to any relevant test administered after the sale.

Liability of The Auctioneer - The Auctioneer acts in all respects only as agent for the Vendor and no warranty is given by the Auctioneer or his employees or contractors, and none shall be implied, as to title, description or the quality of any Lot. Neither the Auctioneer nor his employees or contractors shall be liable to the Purchaser in any respect for any defect of title, error of description or imperfection or for any announcement or statement concerning any Lot offered for sale whether made orally or in writing (whether in a sale catalogue, order of sale, advertisement for the sale or otherwise) and whether given before, during or after the sale, nor shall he incur any liability in relation to any dispute between a Vendor and Purchaser.

Bidding Form - The Auctioneers will bid on your behalf if written instructions are received on the form supplied, or an email or text has been received confirming instructions and acceptance of the terms set out in the form, and adequate time is available to enter such bids. The Auctioneers reserve the right to request a deposit as part of the instruction process. It is entirely at the discretion of the Auctioneers whether other forms of bids are acceptable however in every case there is no liability on the auctioneers.

DISPERSAL CONSIGNMENT

HEYWOOD FARM PARTNERS LTD
FURSE BARTON, ASHREIGNEY, CHULMLEIGH, DEVON. EX18 7PW

Kivells are delighted to have received instructions on behalf of Heywood Farm Partners Ltd of Furse Barton, Ashreigney, Chulmleigh to disperse their NMR Recorded Herd of Holstein Friesian Dairy Cattle. The first consignment of the major portion will be removed to Holsworthy Livestock Market for convenience of sale on Wednesday 19th February 2025.

The herd was first established by the Heywood Family in 1952 with the late Peter Heywood taking over the management of the farm in 1978. Peter's son Gary joined the partnership in 2010 and has managed the herd to this present day.

The herd operates a flying herd system and quality dairy cattle have been purchased from Holsworthy Market. It is a grass-based system, with the cows grazed from Spring through to the Autumn months and are fed grass and maize silage in troughs with cake in the parlour. The cows are milked twice a day through a herringbone parlour and cubicle housed.

The herd is all year-round calving and uses Hereford and British Blue stock bulls. Due to the use of natural service stock bulls, due dates are the vet's best estimate. The herd is vaccinated for Lepto and IBR with their booster administered in February 2025. The herd is BVD tank tested negative.

NMR Herd Average – 7568Kgs 4.18%BF 3.39%PTN
Average Cell Count of Cows in the sale cc174

The Heywood Family have been strong supporters of Holsworthy Livestock Market for many years and have been regular faces at our dairy sales. They have always purchased quality cattle. The cows are medium sized with good udders, legs and feet. With so few dispersals available, this sale presents a unique opportunity to purchase quality dairy stock. We thoroughly recommend attendance at this sale.
