MEADOW RISE

The Meadow Rise flock was established in 2010 with the purchase of foundation stock from the dispersal sale of the Advent flock in Cornwall. Other bloodlines have been added over the years, including ewes and rams from the Castellau, Sheldon, Foxhill, Foulrice, Goggwell, Padest, Wernfawr flocks, to name but a few.

In-lamb ewes have been purchased from quality flocks, with the intention of keeping any ram lambs born as stock rams, hence you will see much of the breeding is from Meadow Rise sires, but their progeny goes back to rams such as Castellau Lord of the Manor, and Wrenvale Mad for Ewe.

Our main focus has always been on producing quality rams for commercial breeders. We've never shown any sheep, although we have won prizes in the South West Flock Competition, but the fact we sell in the region on 100 breeding rams a year, demonstrates local buyers like our commercially reared rams.

The flock is MV accredited, is in the Hep P and Footvax vaccination programmes and we are Red Tractor accredited.

We've decided now is the time to retire and sell our flock of in-lamb ewes and all our ewe lambs. We hope they will go on to do well for any buyers looking to establish a new flock or for existing breeders to add to their flocks.
